

PROPERTY TAX APPEAL BOARD'S DECISION

APPELLANT: Carolyn Drblik
DOCKET NO.: 06-21134.001-R-1
PARCEL NO.: 09-24-428-013-0000

The parties of record before the Property Tax Appeal Board (PTAB) are Carolyn Drblik, the appellant, and the Cook County Board of Review (board).

The subject property consists of a 50-year-old, one-story single-family dwelling of frame and masonry construction containing 1,092 square feet of living area and located in Maine Township, Cook County. The residence contains one and one-half bathrooms, a full basement and a two-car garage.

The appellant submitted evidence before the PTAB claiming unequal treatment in the assessment process as the basis of the appeal. In support of this argument, the appellant offered four suggested comparable properties located within three blocks of the subject. These properties consist of one-story single-family dwellings of masonry or frame and masonry construction and range in age from 47 to 56 years. The comparables have one bathroom and three have basements, one finished. Two homes are air-conditioned and all have one or two-car garages. The comparables contain between 1,021 and 1,230 square feet of living area and have improvement assessments ranging from \$18,816 to \$21,660 or from \$17.61 to \$18.70 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board submitted its "Board of Review Notes on Appeal" wherein the subject's final improvement assessment of \$22,668 or \$20.76 per square foot of living area, was disclosed. In support of the subject's assessment, the board offered two suggested comparable properties located within a quarter mile of the subject. The comparables consist of one-story single-family dwellings of masonry construction and range in age from 48 to 52 years. The comparables contain one bathroom, full basements and one or two-car garages. The comparables contain 1,030 and 1,366 square feet

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the COOK County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 6,000
IMPR. \$19,000
TOTAL: \$25,000

Subject only to the State multiplier as applicable.

of living area and have improvement assessments of \$20,355 and \$21,720 or \$17.25 and \$21.09 per square foot of living area. Based on this evidence, the board requested confirmation of the subject property's assessment.

After reviewing the record and considering the evidence, the PTAB finds that it has jurisdiction over the parties and the subject matter of this appeal. The Illinois Supreme Court has held that taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. After an analysis of the assessment data, the PTAB finds the appellant has overcome this burden.

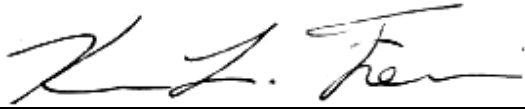

The PTAB finds the parties submitted a total of six properties similar to the subject with some differences in construction, location and living area but finds the appellant's comparables carry the most weight. These properties have improvement assessments ranging from \$17.61 to \$18.70 per square foot of living area. The subject's per square foot improvement assessment of \$20.76 is above this range of properties. After considering the suggested comparables as similar to the subject property, the PTAB finds the evidence is sufficient to effect a change in the subject's current assessment.

As a result of this analysis, the Property Tax Appeal Board finds the appellant has adequately demonstrated that the subject dwelling was inequitably assessed by clear and convincing evidence and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
